Who provides this service?

ARA ...new beginnings

ARA has 30 years experience of providing specialist services for people with drug and/or alcohol or gambling issues. Its housing vision is to provide excellent housing and support through empowering clients to lead independent and fulfilling lives.

The Junction Project provides accommodation and support to those whose lives have been directly affected by addiction – facilitating the transition from dependence to independence.

The Bridge at Logos House provides the highest level of support within the pathway. It aims to help clients to break the cycle of homelessness and addiction with a focus on providing a psychologically informed environment.
